

# Wildlife Observation Form

## Eeyou Marine Region Wildlife Board

This form is intended to collect important information on the species present in the Eeyou Marine Region. Your wildlife observations will help us monitor species health and record new species, it is possible that your observation will be included in local, government, or academic monitoring or research projects. The EMRWB staff may use your name and contact information to verify the observation. If you have a photo of your observation, please add a link in the photo column or e-mail us your photo at [wildlife@eeyoumarineregion.ca](mailto:wildlife@eeyoumarineregion.ca). Thank you!

Observer Name: \_\_\_\_\_

Phone Number: \_\_\_\_\_

E-mail Address: \_\_\_\_\_

Can we contact you about your observation?:  Yes  No
